

Twinkle, Twinkle Little Star

Signed by Elissa Edge

Twinkle – Start with fingertips clenched shut, pointing away from your body, then spring open, alternating between hands (mime a twinkling star)

Little – Shape both hands into “L”s (with thumb and pointer finger), face hands toward each other like a mirror image, and move slightly closer together, then further apart

Star – Using both pointer fingers, point them upwards, at eye level, and slide them against each other, up and down, like a shooting star

How – Both hands in front of you, palms down (fingers together and pointing out) fingertips move down and in and come back up around to palms up

I – Index finger (with other fingers closed) points to self at center of chest

Wonder – Dominant hand in “W” shape (or use index finger), point at forehead and draw small circles

What – Hold left hand open flat, palm up, and move right index finger over left hand from thumb to little finger

You – Point index finger (with other fingers closed) towards other person

Are – Right hand into “R” shape, start at left cheek and move hand forward

Up – Point upwards with right index finger and move it up slightly

Above – Both hands bent at fingertips, right fingers on top of left, raise right hand slightly

World – Two “W” hands (palms facing to sides) one “W” on top of the other, the top “W” circles up and back around to land on top again

High – Both hands bent at fingertips, pointing towards each other, raise both hands at the same time

Like – Right hand in “Y” shape, and move hand back and forth

Diamond – Right hand in “D” shape and place on ring finger of left hand

Sky – Open hand (with fingers together) arcs overhead, starting at the opposite side of the hand you’re using
