

Parents as Partners: *The More We Get Together*

Dear Parents,

Our new song is *The More We Get Together*. We sing it every morning and we often make up new verses. Enjoy singing this song with your child and maybe - together - you'll make up some new verses too.

The more we _____ together,
The happier we'll be

Other fun family learning connections:

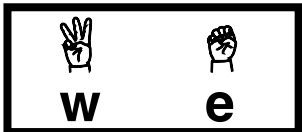

- Ask your child to recite our chant— "You can say the"!

You can say thē
and
You can say thē
But it's always spelled
t-h-e

The More We Get Together
The more we get together,
together, together,
The more we get together,
The happier we'll be.
For your friends are my friends,
And my friends are your friends.
The more we get together,
The happier we'll be.
The end

Entre Más Nos Reunimos
Entre más nos reunimos,
reunimos, reunimos,
Entre más nos reunimos,
Más felices tú y yo.
Mi amigo es el tuyo,
y el tuyo es el mío,
Entre más nos reunimos,
Más felices tú y yo.
El fin

- Let your child teach you how to sign the language for this wonderful folk song.
- Ask your child how to spell and sign "we".
- If your child wants an extra challenge, invite your child to sing and spell the word "friend" (We use the *Twinkle, Twinkle, Little Star* melody).

The More We Get Together, Read and Sing Little Book™ will be coming home soon. We hope you have many happy times singing, signing, talking, and reading together. Thank you for being partners with us in building strong literacy foundations.

With gratitude,
